

BRENT DOUGLAS

Strategist, Master Executive Coach & Speaker

MAGELLAN EXECUTIVE PARTNERS - PRESIDENT

As President of Magellan Executive Partners, Brent loves to help companies unlock the secrets of organizational and leadership growth. An accomplished executive coach, strategist, and advisor with 30 years of experience in helping businesses solve problems, his leadership and vision have consistently driven improved growth and performance.

Brent began his career as an electrical design engineer and worked on a variety of technologies in the computer equipment, medical, industrial and government sectors. Later he moved into significant leadership roles, serving as COO for two technology companies and as Vice President of Operations for a global construction products company prior to joining Magellan.

Guided by his experience in leading organizations and augmented by the formal training he received as an electrical engineer, Brent brings a unique perspective to his work with companies and leaders across the United States. He focuses not just on developing the right strategy, but also on converting that strategy into the activities that lead to growth.

Current Roles:

- President, Magellan Executive Partners
- Board of Directors, Junior Achievement

Leadership History:

- President, GiANT Partners
- Co-Owner of Crowdscribed Publishing
- CEO, Redwood Business Advisors
- VP of Operations, MD Building Products
- COO, SmartTool Technologies
- COO, Vigilink Corporation

Brent holds a Masters Degree in Business Administration with special distinction from Oklahoma City University; a Masters Degree in Electrical Engineering from Oklahoma State University; and a Bachelors Degree in Electrical Engineering from the University of Oklahoma.

He lives in Edmond, Oklahoma with his wife and two sons.
