

JOHN CARNUCCIO

EXECUTIVE PARTNER

John Carnuccio has over 40 years of experience in the manufacturing industry. He began his career in the shipping department of Warner Electric Brake and Clutch Company in New Jersey and worked his way up in the company to the position of Operations Manager. Along the way, he held the positions of Purchasing Manager and Materials Manager. He later moved to Oklahoma City to become Plant Manager with Dana Corporation. Since then, he has held the positions of Vice President of Manufacturing for International Environmental Corporation; General Manager for Southwest Electric Company; and President and COO of Centek Inc., a manufacturer of casing equipment for the oil and gas industry. He is a member of the Southwest Region Board of Directors of the Association for Manufacturing Excellence and was the founding president of the Enterprise Excellence Group.

Throughout his career, John has been recognized as a successful leader in building and nurturing high-performance, high-engagement teams, and people-centric cultures and organizations. He is a 'Leader of Leaders.'

John is also a musician and singer/songwriter. He studied liberal arts at Seton Hall University and has a Bachelor of Science degree in business management from the University of Phoenix.

He lives with his wife Susan in Edmond, OK
