

JOHN FRICK

EXECUTIVE PARTNER

John Frick is experienced as an entrepreneur and investor in venture capital, leveraged buyouts, and business development. He enjoys developing and implementing strategies to start new technology businesses or improve existing businesses. Key parts of these efforts are working with both public and private entities, identifying and partnering with strategic partners, and recruiting key senior executives to implement the strategies.

John has served as an investor, Director, and officer of several early-stage medical service and technology companies, as well as some software companies. In several of these assignments, John played a key role in raising equity from high-net-worth individuals and venture capital firms. Earlier in his career, John was a founding partner of both a venture capital firm and a leveraged buy-out firm. John also worked as a consultant for a restructuring firm and as staff Vice president of a Fortune 200 company.
