

WES JUREY

EXECUTIVE PARTNER

Wes is a nationally known nonprofit Executive with over 50 years of experience. He has worked at local, regional, national, and international levels and is known for his vision, strategic planning, innovation, and ability to turn financially destitute Organizations into financially sustainable corporations.

Wes has founded numerous successful nonprofit corporations, served in several appointed leadership positions in state and federal agencies, testified before Congress, and provided recommendations to the Obama Administration. Wes has established innovative approaches in economics, workforce & community development, and public policy, securing over \$ 1 billion in state and federal assistance premised on three fundamentals: sustainability, scalability, and replicability.

Notably, Wes is the former Chairman of the Texas Workforce Investment Council, which oversees the development of the statewide strategic plan for the 8 state agencies that comprise the Texas Workforce System. Wes is a noted speaker, strategist, tactician, planner, coach, and mentor who builds trust and confidence with those he serves.
